Dear Owners

I hope this letter finds you well.

I am writing to you today on the subject of cats following an increasing number of feral felines on the resort and a consequent and growing problem of fouling on the public walkways and private terraces.

In order to help alleviate this problem, we are asking everyone to avoid feeding cats which do not belong to them, and as always, please inform any guests and tenants staying at your property to do the same.

We will also add this request to the guidelines for owners, when next updated.

Many thanks for your cooperation in this matter

Kind regards

Ian Hodges
